

# SESSION

Spécifiquement mise au point pour réduire la fatigue lors de vos sorties, la SESSION.Sup est une pagaie fine et légère. Son design en V lui offre précision et confort sur l'ensemble du coup de pagaie.

Randonnée, fitness, surf, la SESSION est la pagaie multi usage par excellence.

Specially engineered to increase efficiency and reduce fatigue, the SESSION.Sup is light and thin. Built in fiberglass, his V shape section offer an excellent stability for a very comfortable paddle swipe through the water.

Fitness, touring, surf, the SESSION is an excelent versatile paddle.
